At Stuttgart main station you have to go to the suburban train area (basement) to track 101, take suburban trains S1, S2, S3 until "Stuttgart-Vaihingen". From there you can take the bus no. 81 towards "Büsnau", until stop „Am Schattwald“. Afterwards continue by foot approx. 100 m, walk through the underpass and directly after it, turn right on the small forest pathway, walk approx. 150 meters parallel to the street. (total duration from Stuttgart main station approx. 40 minutes). By car it takes approx. 20 minutes from the main station and costs approx. € 30,-.

Important notice: Since the last part of the way goes through a unlit, unpaved forest road, we recommend to order a taxi from train station "Stuttgart-Vaihingen" in case of bad weather, over the weekend and after dark!

Book our [Event Ticket](#) with "Deutsche Bahn" (german train) - this allows you travelling for 99 € per person (return journey) across germany!
